HOLLOWAY'S PILLS.
THIS Medicine is universally admitted to be the most efficacious remedy known to the world. No preparation is so suitable to the climates of India and China as this fine and invigorating medicine. It is particularly adapted to the constitution of European ladies, as it is never failing in its effects in all diseases peculiar to females, while those who are attended by the debilitating effects of the above climates will find in this wonderful remedy a kind of talisman which they may insure a restoration to robust health.
